The restaurants are true to the exotic settings of the village and the boutique spirit of the hotel. They mix culinary traditions and modern decor with creativity and refinement... each is an invitation to discover a culinary journey rich in colours and tastes. The Piano Rouge Lounge Bar invites you to meet friends and colleagues in a chilled space with live music and sunset views.

La Fourchette (100 seats)

La Fourchette is your invitation to the Mediterranean with dreamy views onto the ocean from the village square. The 100-seat restaurant, in shades of green, white and slate, offers a calming interior space and an outdoor terrace under a shady pergola. Selected from the best cuisines of sun-kissed Europe, La Fourchette's generous menu features the freshest fish and seafood, vegetables and meats, all prepared with herby southern flavours.
Open everyday from 6.30am to 10.30pm (last order).

Izumi (80 seats)

With unparalleled views of the sea and looking out over the village of Port Chambly, Izumi is a stylish Japanese restaurant with minimalist décor and clean Zen touches. What gives the restaurant its true originality, though, are the two Teppanyaki tables manned by authentic Asian chefs – delight both your taste buds and eyes as you witness the preparation of your dishes on hot iron plates. Izumi also features a sushi bar, offering sushi, maki, sashimi and other favourites, as well as two traditionally designed Japanese private dining rooms, which can accommodate up to 12 persons each.
Open from Monday to Saturday from 11.30am to 10.30pm (last order). Closed on Sundays and public holidays.

Piano Rouge

Named after its splendid crimson grand piano, this is a modern and trendy lounge bar with a unique concept. Piano Rouge is the place to meet in the village square. The bar offers a cosy interior and an outdoor terrace with breathtaking views. Fitted with spacious sofas, the Piano Rouge terrace is the ideal place to wind down and savour a cocktail as the sun sets. On Friday nights, the Piano Rouge pace picks up for the weekend. Friends and families gather round the piano, matching red pool table and a wii lounge, not to mention giant screens for sports lovers. Happy Hour at the Piano Rouge from 5pm to 8pm on Fridays and from 6pm to 7pm every other day (50% off drinks). *Open everyday from 8am to 11pm.*

Aqua Bar

The Aqua Bar, located next to the hotel's pool, serves a delicious selection of refreshing healthy drinks including smoothies, iced tea, fresh fruit juice and more. The Aqua Bar is an indispensable stop to cool down, to unwind or to stock up on energy. As you relax by the pool, the ocean, the river and the lush vegetation of the village outskirts serve as a restful backdrop.
